

eLearning Templates Value Add

In addition to providing you with world class eLearning tool training, Lodestone is including an subscription to eLearning templates from eLearning Brothers with every students who enrolls in the class. The eLearning Brothers' Template Library is an online subscription-based template library that has 20,000+ assets to use in your favorite eLearning tools. Save time and increase productivity by using templates that have the visual design and coding pre-built. Then download the source files, open/edit them in your favorite authoring tool, and start creating amazing courses. <http://elearningtemplates.com/>
