## AGENDA: *A Celebration of International Facilitator's Week*

- Welcome & Ice Breaker
- International Facilitation Week (IFW) Overview
  - An event that takes place internationally each year during the third week of October. Its purpose is to showcase the power of facilitation to both new and existing audiences and to create a sense of community among facilitators and their groups worldwide
- Small Group Topics:
  - Moving beyond a two-trick facilitator
  - Overcoming objections in the classroom
  - Cross-Cultural Environments – Facilitation Approaches
  - Facilitation Case Studies

- Debrief & Cake (to celebrate all of our facilitators!)

The **Connection Center entrance** has a driveway in front of it.

The **parking garage** is across the street – entrance is on Market Street. Note that traffic will be exiting the parking garage this time of day – so go slow. You can park on any level. There is also a **parking lot** at the corner of Market & Jefferson you can park in and then walk across to the Connections Center.

Walk across the street to the Connections Center entrance.
